Australian prices: Grains from Sydney Morning Herald, page 11, October 28, 1930; Livestock from (Sydney) Country Life and Stock and Station Journal, page 20, October 31, 1930; Wool from Wool Record and Textile World, Bradford, England, 38:1328, November 27, 1930; Butter from Prescott, Ltd., Farm and Dairy Produce, Butter circular, October 25, 1930. United States prices from records - Division of Statistical and Historical Research.

1/Average of price range. 2/"Yard yearlings", weight about 500 pounds each, are quoted at £11/2 per head. On this basis we have calculated the price per 100 pounds. 3/Average for week ended November 1, 1930. Price, beef steers, 600-900 lbs., is used as being more nearly comparable with the available Australian quotation than our more usual 1,100-1,300 lbs. 4/Wethers, weight 56 pounds per head, are quoted at £ 10/4 each, and ewes, weight 52 pounds per head, are quoted at £ 8/4 each. On this basis we have calculated the price per 100 pounds. 5/ The Sydney price is quoted as price delivered at Bradford. The cost of shipping wool from Australia to England is between 1 and 2 cents per pound.
